## Bowmanville East Urban Centre

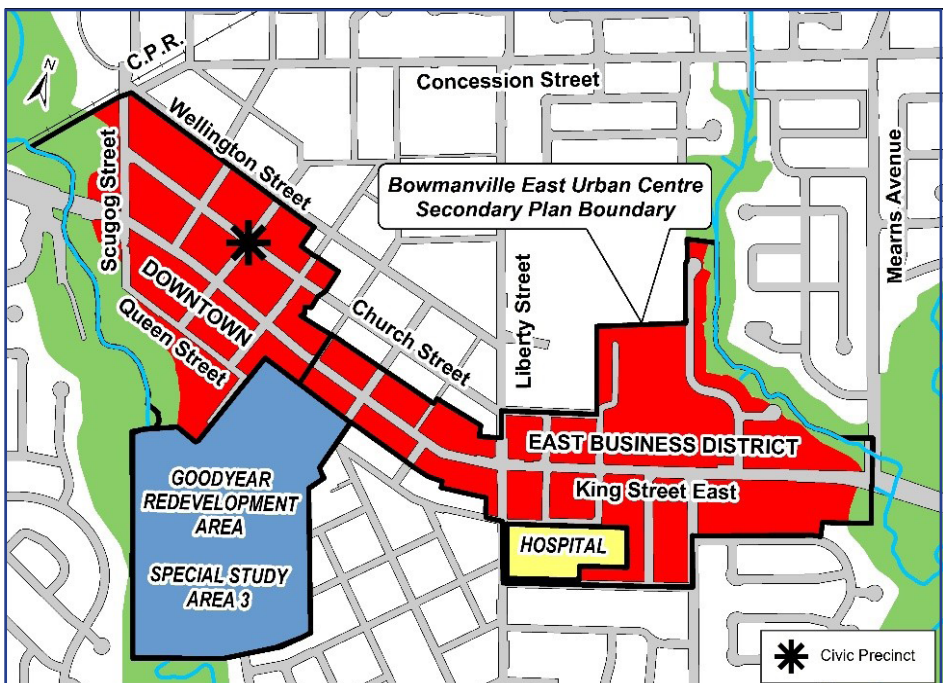

The Bowmanville East Urban Centre area represents the past, present and future of Bowmanville. The redevelopment of the former Goodyear site, the expansion of the Lakeridge Health Bowmanville hospital and the creation of a civic precinct around the Municipal Administrative Centre are set to bring a new energy to the centre of town. These projects will create opportunities for new businesses and housing and increase access to parks and green space while respecting the character of existing neighborhoods.

Share your ideas for the future of Bowmanville East at the Public Information Centre:

Thursday, November 22  
6 to 8 p.m.

Bowmanville Creek Retirement Community  
105 Queen Street, Bowmanville  
Sports Lounge
