

# IMPORTANT UPDATE

On May 3<sup>rd</sup>, Student Council hosted our 2<sup>nd</sup> Annual Garage Sale. Members of the community donated items, then students sold the items to raise money for student council.

Ms. McGillen is proud of the work ethic and pride student poured into the event. They raised just under \$1300! This money goes towards hosting the events around our school that are hosted by student council (duck dash, eggs hunts, student socials, and more). We want to send a shout out to all families who donated items, as well as Ms. Speed, Ms. Glover, Ms. Pym-Murphy, and Mr. Hall for showing up on a Saturday to help us. We also had 8 VMPS Alumni back volunteering to help us and earn their community service hours, a reflection of the reciprocal community we are building here at Massey.

Thank you everyone for your support. Save the date for next year's event - May 2<sup>nd</sup>, 2026

## Student Council
